

Hello and we hope this email finds you and your family doing well and staying safe! While there's still plenty of uncertainty going around, we do want to deliver some good news. **CLUB VOLLEYBALL IS COMING BACK!!!**

Culver City Volleyball Club is committed to having teams this season! There will be plenty of changes for this season that we will be addressing in the coming weeks. For now, we would like to address some things we are in control of.

Teams will be **LIMITED** this season. What that means is we will be taking less players on each team. We are looking at **10-12** kids maximum per team with **2 coaches**.

This also means less teams practicing in the gym at one time. Practices will involve more spaced-out drills and trying to limit the amount of times each player touches the same ball throughout a drill. We will also be doing temperature checks before every practice at the door and have plenty of hand sanitizer to go around. Balls will be disinfected before and after every practice.

Only players and coaches will be able to stay inside the gym while practice is going on. Parents are more than welcome to hang out right outside the gym. We will continue to update safety measures and guidelines as the season goes. All current safety guidelines in place from SCVA will be followed.

We would now like to take the time to open up reservations on a first come first serve basis for returning players! Since we will be having limited teams we are looking to fill as many spots as possible before opening up our tryouts, which will also be very small and limited. If all spots on teams are reserved before tryout dates, then there will be **NO TRYOUT** for that team as it has already been formed. We understand that players like to know who is on and who is coaching what team. We will be more than happy to share that information with you and will continue to send updates on team availability! Once again team spots are **FIRST COME FIRST SERVE** for this season!

If you are interested in filling up one of these spots please email/return all **TEAM AND TRYOUT REGISTRATION FORMS ASAP!**

We will be sending another email out shortly detailing practices, tournaments, waiver forms, payments and updated refund policy if events are cancelled.

Thank you so much for all of your continued support in Culver City Volleyball Club and we can't wait to see you at practice!!!

Sincerely, CCVC
